

A photograph of a renewable energy landscape. In the foreground, several large solar panels are mounted on tall, white metal poles. In the background, two large wind turbines are visible against a clear blue sky. The ground is covered in dry, yellowish grass. The entire image is framed by a semi-transparent, light blue hexagonal shape that serves as a background for the text.

ВОЗОБНОВЛЯЕМЫЕ И НЕТРАДИЦИОННЫЕ ИСТОЧНИКИ ЭНЕРГИИ
